- ³ Students may choose two (2) credit hours of elective coursework to satisfy General Concentration requirements. Students are encouraged to satisfy elective hours through the rotating topics of THE 775: Special Topics in Theatre. However, students may take any graduate-level course offered by the Department of Theatre Arts for elective credit. Students may also take elective coursework outside of the department (including courses offered by the Department of Film-Television) with the approval of their advisor.

Students who already have an M.A. degree may apply for a maximum of 6 credit hours of "advanced standing." This should be requested at the time of admission.

Each student admitted to the program is required to have an "End-of-Year Interview" with the performance faculty, at which time progress will be discussed in detail. Continuation in the program is by invitation.
