Self-Designed (12 Credit Hours)

A student may petition to design his or her own concentration field. The concentration must be made up of 12 credit hours all within the same discipline and all taken at Regent. The student will submit a petition with the proposed courses and a rationale for why the self-designed cognate field is the best option for the student's chosen career path. Self-designed concentrations must be approved by the student's academic advisor and the Chair of the English department.

Notes:

- A minimum cumulative GPA of 2.0 is required to graduate and maintain good academic standing. Some majors also require a minimum grade in all major courses. Please see Degree Works or the Undergraduate Catalog for these specifics.
- 50% of all major requirements must be taken at Regent University.
- Please reference Degree Works for course pre-requisite information.
- As a general rule of thumb, 100 and 200 level courses should be taken prior to upper level (300 and 400) level courses.
