Notes

₁Students are registered for EDU 600 based on their admissions writing sample score. Students are required to take UNIV LIB and ENGL 500 but both courses are waived if a student successfully completes EDU 600. Course must be completed during the first semester of enrollment.

₂Students must take during the final semester; cannot be taken during the summer. Cross-listed with UED 495

Continued

* Courses with an asterisk* include as competencies a classroom observation and/or practicum experience. These placements must be in a state-accredited private or public school and must be set up through the field placement coordinator in the School of Education. To be approved to complete observation/practicum experiences, students must have on file these special requirements for students in initial licensure programs: an FBI criminal history report with fingerprinting, confirmation of a negative TB screening; confirmation of professional liability insurance; and confirmation of adult and pediatric First Aid/CPR/AED training. More requirements and details for practicum and internship placements are available in the Field Placement Handbook.
